NEWS RELEASE

Turf Fertilization and Weed Abatement at City Parks

Durango, CO: The City of Durango promotes Best Management Practices in the stewardship of City lands to ensure the safe enjoyment of parks in the community. Upcoming fertilization and weed abatement dates are as follows:

- On Thursday, August 9, 2018 the City will be applying turf fertilizer at Pioneer Park, Riverfront Park and Iris Park.
- During the week of August 13-17, 2018, the City will be applying turf fertilizer to Fanto Park and Needham Turf, and herbicide at Folsom Park and Pioneer Park.
- During the week of August 20-24, 2018, the City will apply fertilizer to the Durango Softball Complex at FLC, Brookside Park and Schneider Park.
- On August 31, 2018 the City will apply fertilizer to Jenkins Ranch Park and Smith Sports Complex.

Applications are conducted to improve the quality of the park. Dates are subject to change based on weather conditions.

For additional information, contact the Parks and Recreation, Park Maintenance Division at 375-7384.
