NEWS RELEASE

City of Durango's Boards and Commissions Vacancies

Durango, CO - The Durango City Council is seeking volunteers interested in serving on the Durango Local Licensing Authority.

The purpose of the Durango Local Licensing Authority is to meet monthly to review and approve new liquor or medical marijuana license applications for local approval, changes in location of licensed premise, and hear cases against the licensee.

The authority also reviews and determines any alleged violation of the Colorado Liquor or Medical Marijuana Code and maintains good communication with the Police Department and licensees.

In addition, the authority grants or refuses licenses and special event permits for the sale of alcoholic beverages, designates and assesses fees, effects rules and regulations provided by law, conducts investigations as may be required by law, and suspends or revokes licenses.

For more information on each Board and Commission, visit www.durangogov.org/boards. Brief interviews with applicants will be conducted by City Council prior to appointment.

For Boards and Commissions applications and requirements, please see the City Website at www.durangogov.org/boards. **Applications are due by close of business at 4:30 PM on Friday, October 19, 2018.**

For more information, contact Chris Harlow, at chris.harlow@durangogov.org
