

# Welcome

Established in 2005 with generous support of area residents and a grant from Great Outdoors Colorado, Dalla Mountain Park provides passive recreational opportunities in a natural setting.

Home to mule deer, elk, black bear, mountain lions, and a variety of birds, small mammals, and native flora, Dalla Mountain Park is rich with diversity. Please respect the balance between recreation and the natural environment as you enjoy the park.

## To ensure a pleasurable experience and to protect the natural, cultural, wildlife, and recreational values of the park:

Bicycles yield to hikers. Stay on designated trails.

Pack out all trash and dispose in a proper receptacle.

Leash and clean up after your pet.

Motorized vehicles are not permitted.

Be courteous of neighbors and other park users.

Discharging firearms or weapons, or hunting is not permitted.

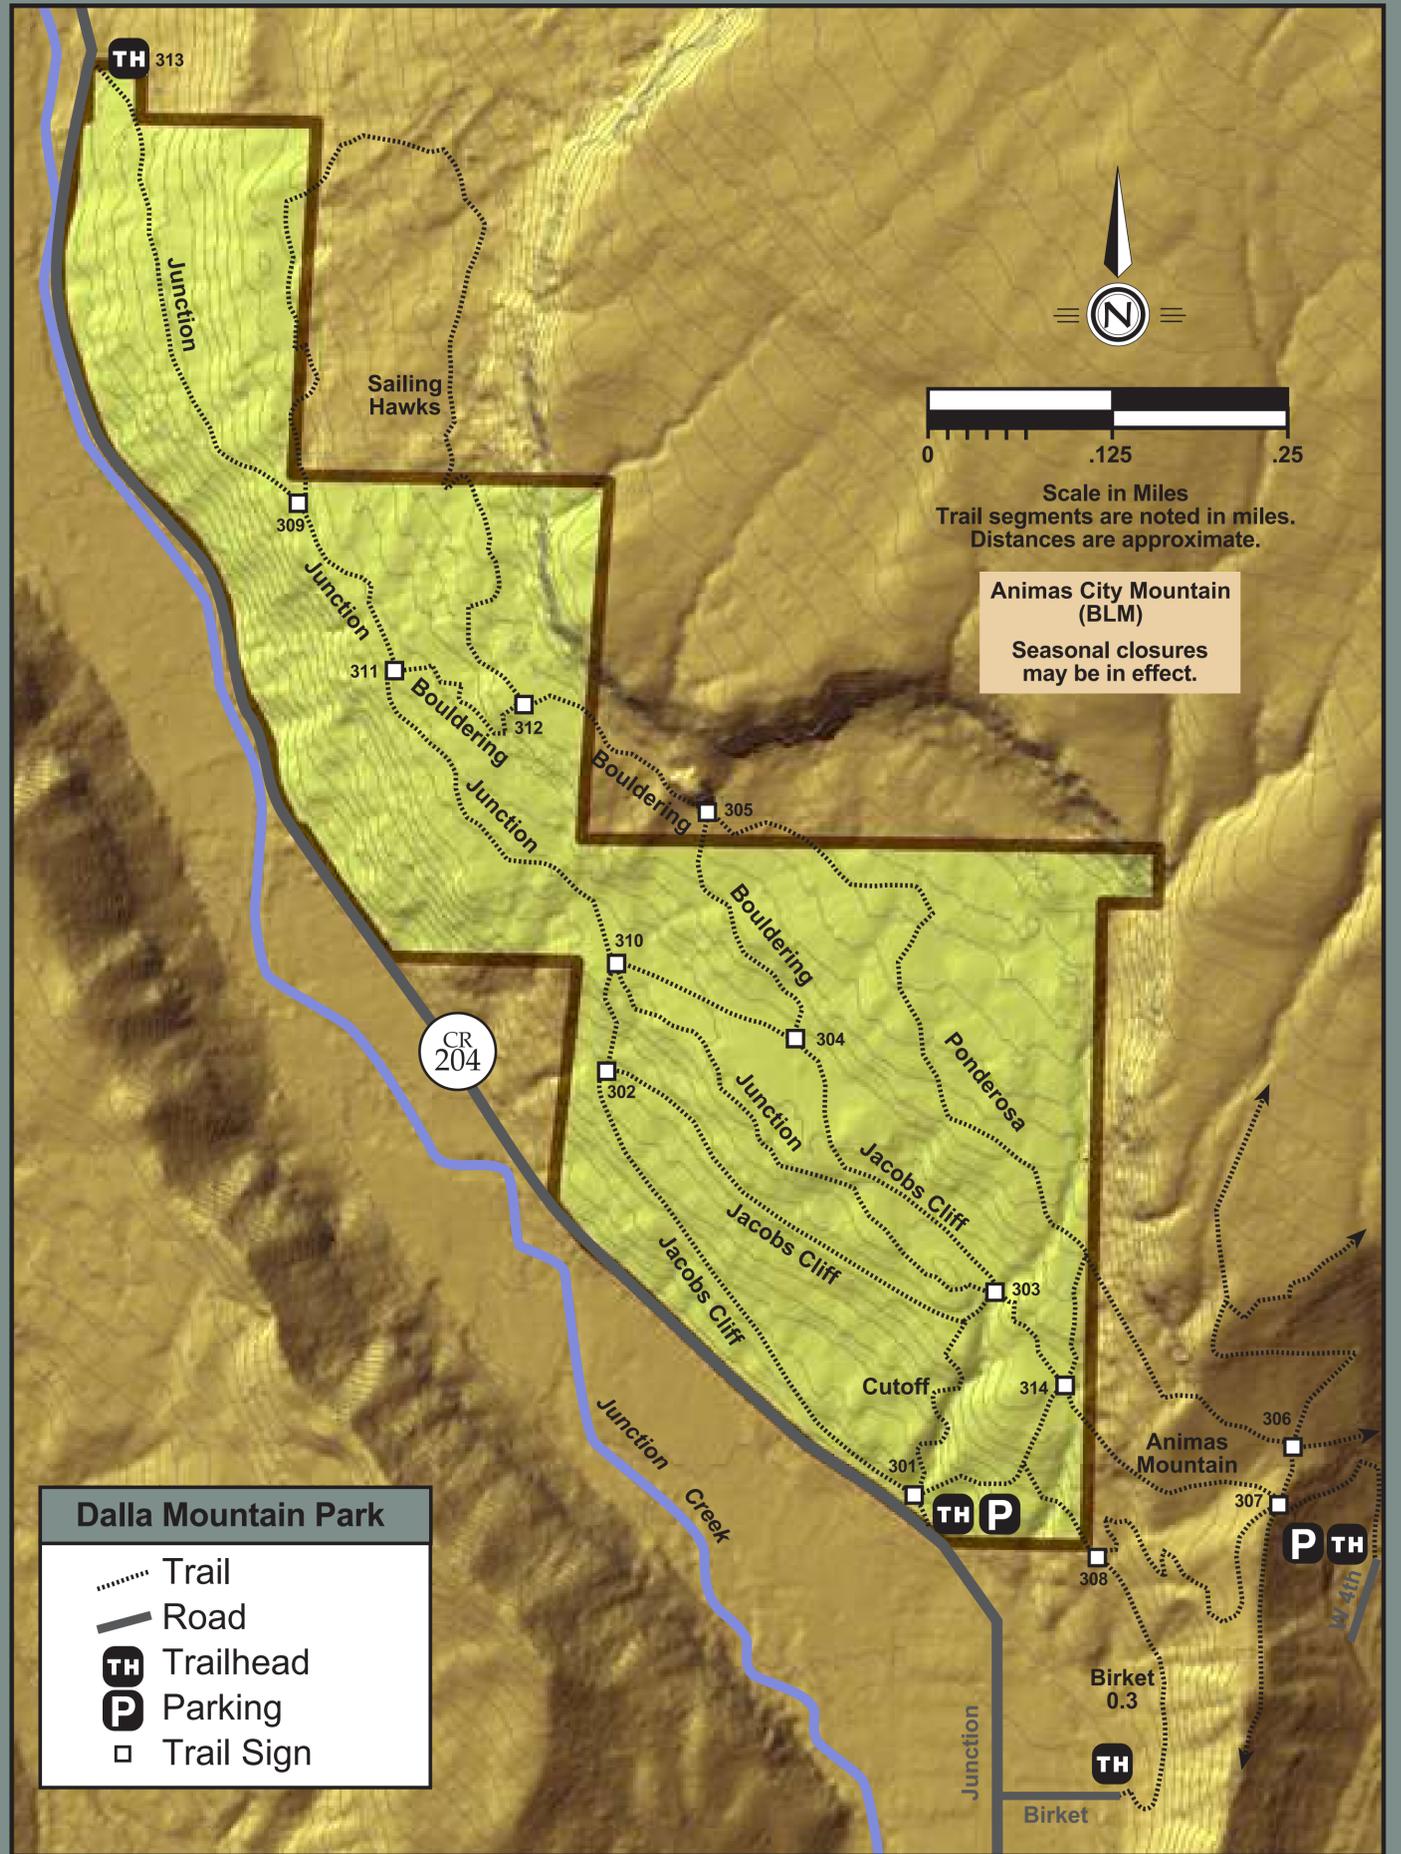

Open fires, fireworks, camping or overnight parking is not allowed.

Alcoholic beverages are not allowed.

Organized groups and special events by permit only.

Thank You

Numbered directional signs have been installed within the park to assist with visitor way-finding. For additional information, contact Durango Parks and Recreation.
