FOR IMMEDIATE RELEASE, JULY 25, 2019

NEWS RELEASE

Oxbow Park and Preserve Continued Closure

Durango, CO: Oxbow Park and Preserve will remain closed until further notice due to construction that obstructs access to the Animas River. An alternate route was provided in the spring, prior to flooding, but this route remains underwater. Interior trails of both Oxbow Park and the Preserve are still underwater or have been washed out due to high water conditions. The alternate route will be monitored weekly in hopes of restoring access to portions of Oxbow Park and Preserve as soon as possible.

For the safety of the public it is important to respect the closure as heavy equipment is active within the construction area throughout the duration of construction.

For additional information, contact the Parks and Recreation Department at 970-375-7321.
