Getting Around Durango Is Getting Easier And Safer!

Look for this New Pedestrian Crossing At Camino del Rio and 7th Street

- Push button and wait.
- Wait for flashing yellow beacon to illuminate.
This signal is connected with the nearby traffic lights, you may have to wait up to 90 sec before the system is activated.
- Get eye contact from all drivers in each lane before proceeding across the highway.
- This crossing is **NOT** a traffic signal and does not guarantee drivers will stop.
