River Ambassador Program

**Durango Parks and Recreation Department is
Looking for Volunteers**

The Durango Parks and Recreation Department, in partnership with the local paddling community under the leadership of 4Corners Riversports, will oversee the River Ambassador Program, which consist of volunteers with paddling experience.

The purpose of the Animas River Ambassador Program is to provide on-river assistance and education to river users. River Ambassadors will also serve as a liaison to the City Park Rangers and Police Officers and provide notification to the appropriate City officials for enforcement of the City Code requirements. The initial emphasis of the Ambassador Program will be to provide a presence on the Animas River, particularly between Oxbow Park and Preserve and the 33rd Street River Access.
