NEWS RELEASE

Whitewater Park Weed Abatement

Durango, CO: The City of Durango promotes Best Management Practices in the stewardship of City lands to ensure the safe enjoyment of parks in the community. The herbicide the City will use to spray noxious weeds is called Curtail. Applications are conducted to improve the quality of the right-of-ways, parks and open spaces in the City's system. The weed control is repeatedly tested and approved by the Environmental Protection Agency.

Spraying will commence on Monday October 3, 2016 and continue through Friday October 7, 2016. The Whitewater Park will be sprayed during this time, weather permitting.

For additional information, contact the Parks and Recreation, Park Maintenance Division at 375-7380.
