FOR IMMEDIATE RELEASE, MARCH 14TH, 2017

NEWS RELEASE

SPRING CLEANUP BEGINS APRIL 10TH

Durango, CO – The City of Durango citywide spring cleanup begins on Monday, April 10th, 2017 and concludes on May 5th, 2017. Crews will be moving through the residential neighborhoods picking up the below items:

- Furniture
- Large appliances
- Scrap metal, drywall, fencing, carpeting, tiles, and open dried paint cans
- Tree trimmings and branches less than 8 feet in length and less than 8 inches in diameter
- Bagged or boxed loose brush and leaves

The schedule for pick-up is as follows:

April 10-14: Areas south of 15th St. and west of 9th Ave., including residential areas of Hwy 160 W and Hwy 160 E (Three Springs) located within the city limits.

April 17-21: Areas north of 15th St. to the north city limits, paralleling Main to the east and west, including Animas City area.

April 24-28: West side subdivisions, including Crestview, Needham, Rockridge, and Junction Street areas.

May 1-5: East side subdivisions including Riverview, North College, Hillcrest and SkyRidge areas.

This curbside service is only available for city residents and only during designated pickup times; once crews collect along the designated pickup area, they will not return.

Residents are asked to place materials in the alley for collection, or curbside in areas of town where there are no alleys. Please separate piles of yard waste and scrap metal. No other waste will be collected. Please ensure trash is secured in the trashcan (not simply left out in the open) for the safety of wildlife.

To assist the City crews, residents are also asked to keep cleanup items and brush at least two feet from fences, trees, bushes, gas meters, hydrants, power poles, and connection boxes since heavy equipment is used to load waste into trucks. If your pile cannot safely be picked up, it will be left in place. Please be careful not to block driving lanes or sidewalks.

The City's spring citywide cleanup program offers residents an opportunity to dispose of the designated items at no extra charge. For more information or questions about the citywide cleanup program, please contact 970-375-4903 or visit www.durangogov.org/cleanup.
