NEWS RELEASE

City Weed Abatement along Animas River Trail

Durango, CO: Spraying along the Animas River Trail will commence on Wednesday, May 24, 2017 and continue through Tuesday, May 30, 2017, weather permitting. The City of Durango promotes Best Management Practices in the stewardship of City lands to ensure the safe enjoyment of parks in the community. The City has contracted with Tres Mesa for noxious weed abatement. The herbicides that will be used are called 2,4-D Amine and Perspective. Applications are conducted to improve the quality of the right-of-ways, parks and open spaces in the City's system. The weed control is repeatedly tested and approved by the Environmental Protection Agency.

For additional information, contact the Parks and Recreation, Park Maintenance Division at 375-7380.
