NEWS RELEASE

Adaptive Softball Dream League Begins in July; Volunteer Meeting June 28th

Durango, CO: The Dream League's coed adaptive slow pitch softball program is designed to remove barriers for participants, ages 10 through adult, with disabilities that want to play America's greatest pastime! The program offers more than the chance to play. It offers the opportunity to make new friends and build self-esteem, while developing the strength of our community as volunteers ages 12 through adult assist players. Teams consist of individuals with and without disabilities playing together. The league will meet Monday nights July 10 – August 14, 2017 for a 6:00 p.m. warm-up and a 6:30-7:30 p.m. game at the Folsom Park baseball field.

Players need to register with Durango Parks and Recreation at the Durango Recreation Center or online through the Parks and Recreation webpage. The suggested player fee is \$30 and includes a shirt. Ask Parks and Recreation about scholarships or discounted fee.

Volunteers Needed! Adults and youth, minimum 12 years of age, are needed to be Buddies and assist players with running, fielding, and coaching as needed to help make the Dream League come true! A volunteer meeting is taking place Wednesday, June 28, 6:00-7:00 p.m. at the Durango Recreation Center.

For more details contact Chris Clements at chris.clements@durangogov.org or (970) 375-7324.
