## Durango Commercial Energy Customers Invited to Energy Efficiency Incentive Lunch-and-Learn

**Durango, CO:** Durango commercial energy customers interested in learning more about energy efficiency incentives are invited to attend a public lunch-and-learn session at **12:00 p.m. noon on Wednesday, June 28th** at the Durango Public Library. The program will cover both natural gas and electric energy efficiency opportunities with information from representatives at Atmos Energy, Mesa Point Energy, La Plata Electric Association, and the City of Durango. Free lunch will be provided by Atmos for attendees who RSVP for the event.

Atmos Energy will present on their commercial energy efficiency funding and technical assistance program. This program offers incentives on commercial energy audits, high efficiency heating, boiler improvements, domestic water heating systems, weatherization and insulation, gas-fired process improvements and restaurant equipment. La Plata Electric will present on its commercial lighting program, which offers rebates for commercial energy efficient lighting retrofits.

To register for the event go to [EventBrite](#).

For information about Atmos Energy's natural gas energy efficiency program, contact Donna Scott at [custom@mesapointenergy.com](mailto:custom@mesapointenergy.com) or (303) 661-0159.
