NEWS RELEASE

Adult Softball and Kickball Team Registration

Durango, CO: Yes, softball and kickball are still happening this summer in Durango! There are still some spaces for you to register your softball or kickball team in the adult sports leagues with Durango Parks and Recreation. To register your Coed, Women's, or Men's Softball and Coed Kickball teams, stop by the Durango Community Recreation Center. Registration is first come first served, so don't wait to get your team in for the season because space is limited.

While the softball complex at Fort Lewis College is being renovated this year, the softball league will start the week of July 9 and play through September 21 as needed per division at the La Plata County Fairgrounds baseball fields. The kickball league will play Thursday nights, July 6-August 24, at the Folsom Park baseball field.

League manuals and registration/roster forms are available at the Durango Community Recreation Center at 2700 Main Avenue and online at www.durangogov.org/adultleague.
