FOR IMMEDIATE RELEASE, MARCH 8, 2018

NEWS RELEASE

Never miss your trash or recycle collection day again!

Durango, CO: The City of Durango has launched a new online tool making it easier than ever for residents to stay connected about waste management collection and programs. This service will help residents ensure they never miss another collection day. Located on the DurangoRecycles.com webpage, residents can:

- Type in their home address to view a personalized collection calendar and sign up for free reminders by email, phone call or text message. Signing up for reminders includes notification of special events such as Spring and Fall Cleanup, holiday schedule changes and unanticipated service disruption.
- Download, print or export a personalized collection calendar to iCal, Google or Microsoft Outlook.
- Type a material in the “What Goes Where?” search function, and find instructions for responsible disposal.
- Play the Durango Recycles Waste Sorting Game to test their knowledge of the City’s recycling and trash programs.

Residents can utilize the tool to help avoid trash and recycling containers being set out days ahead of collection, blocking alleyways or attracting wildlife.

For more information on City of Durango trash and recycling programs, please contact the Recycle Center at 970-375-5004 or visit www.durangorecycles.com.
