FOR IMMEDIATE RELEASE, APRIL 12, 2018

NEWS RELEASE

Are you satisfied with living in Durango? Take the survey and come to the forum!

Durango, CO: The City of Durango wants to hear from citizens like you, and there are two upcoming ways to do so: by taking the community satisfaction survey and participating in the April 16th Community Forum.

To register for and take the community satisfaction survey, visit DurangoGov.org/VirtualCityHall before the April 20, 2018 deadline. Registering with your name and email ensures the validity of the responses we receive.

Have you ever wanted to see the inside of the Police Station, without wearing handcuffs? On Monday, April 16th, participate in the Community Forum from 5:00 p.m. - 7:00 p.m. at City Hall, 949 East 2nd Avenue. Tours of the Police Station will be offered before and after the workshop. The workshop begins promptly at 5:30 p.m.

Both opportunities are part of the City's 2018 Public Engagement process, which is an opportunity for your priorities, values and vision to guide the future of Durango. The City of Durango will be facing difficult budgetary constraints, and to continue to make Durango a great place to live and work, critical decisions need to be made regarding the limited resources we have to work with. Before making these decisions, we need the community's perspective and input to guide us as we seek to clarify our options.

For more information on the Public Engagement process and future events, visit DurangoGov.org/Engage or email Engage@DurangoGov.org
