NEWS RELEASE

City completes new Rotary Park restrooms

Durango, CO: The city of Durango is pleased to announce the opening of the new Rotary Park restrooms and renovated parking lot. The heated restroom facility will help meet the need for year-round restroom facilities in the Durango parks system. It is accessible to Animas River Trail users via the spur at 2nd Avenue, adjacent to Rotary Park.

“Rotary Park is the most popular park for weddings and special gatherings in the parks system,” Parks and Recreation Director Cathy Metz said. “The city would like to thank adjacent neighbors, businesses and community members for their patience throughout construction.”
