FOR IMMEDIATE RELEASE, APRIL 20, 2022

NEWS RELEASE

Trails, open space to close on Animas City Mountain for prescribed burns

Durango, CO: Trails and open space surrounding Animas City Mountain will be closed to all public access in the coming weeks while the Bureau of Land Management conducts prescribed burn operations.

Trail users can expect a 2-3 day closure for all trails, trailheads, parking lots until May 15 for the following areas:

- Animas City Mountain.
- Dalla Mountain Park.
- Tanque Verde
- X-Rock.

Notices will be posted once the date of the prescribed fire is confirmed. For more information go to <https://inciweb.nwcg.gov/incident/7688/>

MORE

For your safety

All trails, trailheads, parking lots and land on Animas City Mountain, Dalla Mountain Park, Tanque Verde and X-Rock will be closed to public access during prescribed burn operations at Animas City Mountain.

Trail users can expect a 2-3 day closure between April 16 and May 15, 2022.

Public notice will be made of these closures once the date of the prescribed fire is confirmed.
