NEWS RELEASE

Durango-La Plata 911 Communications Center gives the public a look behind the scenes

Durango, CO: On June 2, 2022 the Durango-La Plata 911 Communications center will be hosting an open house to show members of the public what it is that our local dispatchers do.

“On June 2nd, from 11 am to 2 pm we’re hosting an Open House. You’re invited to step behind the curtain and see what it’s like to be a 911 Dispatcher,” said 911 Administrative Analyst, Ben Lloyd.

The open house is being held in part as a means of recruitment for open Emergency Dispatcher I/II and Shift Supervisor positions.

“We’re seeking individuals who want a challenge and who want to serve the community they live in. The job is fast-paced and requires great communication skills and a master’s in the talent of multi-tasking. We are seeking all levels of experience for roles within the 911 Communications Center.”

All open positions are full-time with full benefits and come with a sign on bonus of \$2,500 to \$10,000 depending on the applicant’s qualifications. Those interested can apply at Durangogov.org/jobs.

The open house will be held at the 911 communications center, located at 221 Turner Drive in Durango. Government issued ID is required to enter the communications center.
